PET CHECK-IN APPLICATION

Please review the following “Pet Policy” guidelines. Sign and date the form and bring it with you when you check-in. A copy will be provided at check-in as a reminder of the policies. There is a \$10.00 charge per pet per day.

-  The Inn has a housedog, Snickers, who lives in the owner’s quarters. To ensure a smooth introduction, please check-in at the Inn before letting your pet(s) out of the car.
-  Pets are only allowed in the Monroe Cottage. Please keep you dog on a lead when walking around the property.
-  If there are times when you might want to leave your pet alone in the Monroe Cottage, please let us know so that we could provide you with the names of pet sitters.
-  You are responsible for your pet(s) behavior. Please clean-up up after your pet immediately. We will let you know how to dispose of the clean-up bags properly.
-  Sometimes “accidents” happen. Please let us know if there are any mishaps. We will try repairs before adding charges to your bill.
-  Feel free to bring your pet’s favorite blanket or bed. We will provide a sheet to cover the bed linens and sofa.

To ensure a pleasant stay for both you and your pet(s), we appreciate your cooperation with the above policies. We hope that you will enjoy your stay.
